Freshman just CAN'T keep quiet.

"You did?!"

I REMEMBER '72 . . .

I remember, very well, the events
of the school year '71-'72.
I've kept these memories pushed
back in a special corner of
my mind
So that I can take a look at them
every once in a while
To laugh, to cry, and then again
to smile.
I look back at the time when I
never thought I'd come this
far.
Yesterday Fairview, tomorrow, the
moon or perhaps some star.
But no matter where my journey ends
Or how far away the road to
success or failure
extends
I'll be reminded of my school days
constantly.
For I was part of Fairview High
and it was part of me.

It's initiation time!

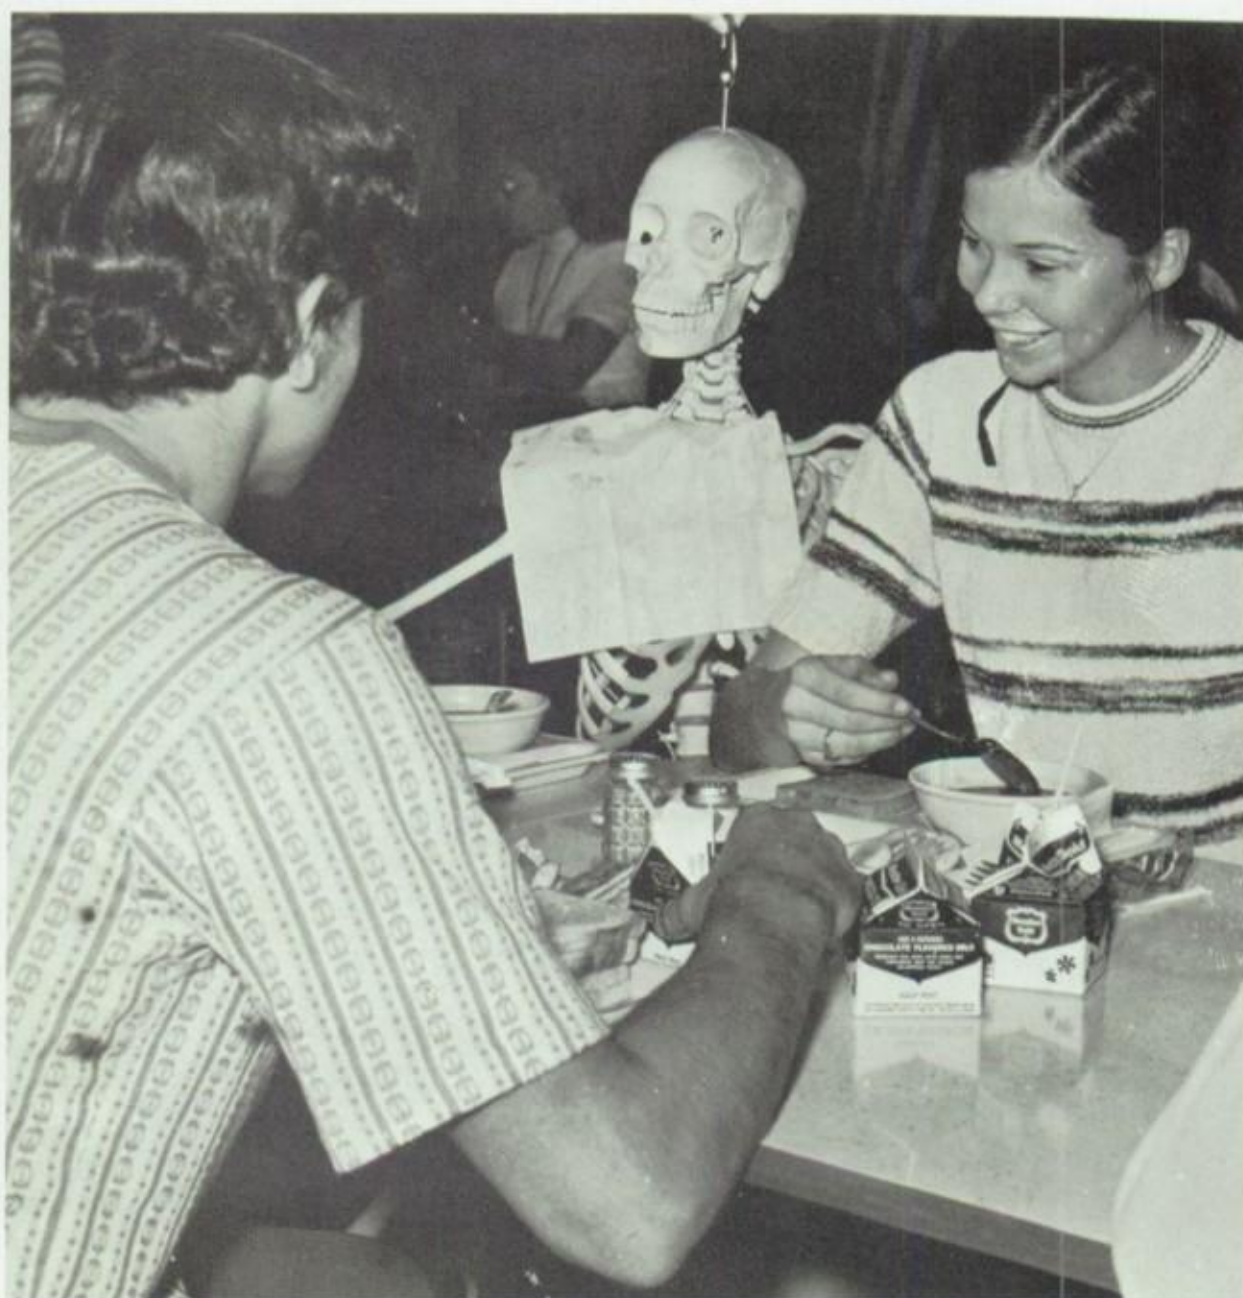

There goes Loretta! She's got the freshest mouth in town!

Right on!

can't believe I ate the whole thing . . .

What did they put in the broth?

Time out for a quencher.

The happier the time,
the more quickly it passes.

Test Results?

Try to realize
its all within yourself;
No one else can make you change;
And life flows on within you
and without you.
When you've seen beyond yourself -
then, you may find peace of
mind is waiting there . . .

THE GRADUATING CLASS OF 1972

SPEAKER: Senator Oliver Ocasek

Bruce Berenyi receives his diploma

If you can't be a pine on the top of the hill
Be a scrub in the valley - but be
The best little scrub by the side of the hill;
Be a bush if you can't be a tree.

If you can't be a bush be a bit of the grass,
Some highway happier make;
If you can't be a muskie than just be a bass
But be the liveliest bass in the lake.

We can't all be captains we've got to be crew.
There's something for all of us here
There's big work to do and there's lesser to do
And the task we must do is near.

If you can't be a highway then just be a trail
If you can't be the sun be a star
It isn't by size that you win or fail
Be the best of whatever you are.

Queen: MISS DONNA RIEKE

REIGNING IN THE RAIN

Although the night was dreary, the crowd's spirits were high. The queen and her court were the only ones who kept dry. From the beginning kick-off to the final loss; we were determined to show them just who was the boss.

OLIVER

November 12 and 13 the band and chorus presented the English musical, "Oliver!" It's the story of an orphaned boy, Oliver Twist, who runs away from the orphanage and encounters many of the bad aspects of the world. He is taken in by a band of pick-pocketers and learns the tricks of that trade. After many hardships, Oliver discovers his true relatives.

From the first piece of scenery that went up to the last curtain, everyone worked hard to make the show a success. Their efforts weren't in vain - Oliver was a "SMASH!"

DRAMATICS CLASS PLAY

"THE MAN WHO CAME TO DINNER"

Under the direction and fearless leadership of Mr. Dea Edwards, the Fairview Dramatics class presented "The Man Who Came to Dinner."

Due to a heavy schedule of events the class was only able to stage the play one night. The members were proud to know that all compliments would be directed to them, personally, because the show was exactly what they made it GREAT!

On these two pages you'll see how Fairview's talented photographers captured everything from the candid shots in the dressing room to the grand FINALE.

The group practiced every night for one week and surprisingly enough managed to allow Mr. Edwards to retain his sanity through the whole ordeal.

TIME FACULTY AND ADMINISTRATION

STUDENTS' INTERESTS ARE MAJOR CONCERN OF BOARD

Mrs. Alice Sims
Secretary

The Board of Education is the agent responsible for establishing and appraising the educational activities of our school. They decide what changes must be made and how to approach them. The board represents the community and their interests.

April 27, 1972

To the Fairview Senior class of 1972:

Dear Seniors:

It is with a great sense of pride that I write this letter to the senior class. As in past years I am always proud of our graduating class. I am certain that I speak for the entire faculty when I express our gratitude for your spirit of cooperation and the general respect you have exhibited toward the school system.

It has been both a pleasant and rewarding experience for me to have known you people, and to have played a small role in your education at Fairview. Needless to say, at times there have been differences of opinion, and at times it has been necessary for me to make decisions that have been unpopular with you.

My memories of the class of 1972 will be pleasant ones. The many good things you people have done far outweigh the difficulties we have encountered.

You people have a real opportunity to make a worthwhile contribution to humanity. Your talents are many and varied, use them, don't abuse them.

Our society is eagerly waiting on people like you to come forth with solutions to those problems that confront us in the 1970's and 1980's. Each of you must think and act in a responsible fashion. Whatever may be your station in life, you can and must be part of the solution and not a contribution to the problems that are endangering the American way of life.

I wish each of you many years of happiness and may God bless each of you.

Sincerely,

Darrell E. Jones

CLASS MOTTO

"I am not afraid of tomorrow, for I have seen yesterday and loved today."

To be a senior is to be a rare breed of animal that is independant, stubborn, robust, creative, dramatic and sometimes inconsistent.

To be a senior at Fairview is to be prepared to meet the open future with the training that the contained world of high school has offered. It is to eventually come to grips with the very real presence of difficulty, as well as accomplishment, and to be physically and morally prepared to meet it head-on.

The success of a year is measured in involvment.
To be a senior is to be real.

And that's what keeps a heart young.

With a ratio of 69 guys to 39
girls, the senior class presented
effective leadership. They do-
minated presidencies in 7 out of
8 organizations.

Twenty eight attended the vo-
cational school and more than
thirty struggled with the compli-
cated process of passing college
entrance tests and meeting the
entrance costs of college. Out of
the class of 72, 15 students are
going to a four year college; six
to medical schools; eight to a two

28 BENEFIT FROM VOCATIONAL TRAINING

The choices offered to the seniors of Fairview High School before the Four county Joint Vocational School opened were limited. Either a college oriented course of study or a general, vocational one had to be followed. Now, however, vocational training in a particular field is offered. Because of this, the 28 students attending the J. V. S. from our school have a much better chance of getting and keeping a job than does the drop-out or regular high school graduate. By taking a specialized course in high school, these students have a good chance of meeting the challenge of a world full of specialization. The following are some of the courses F. H. S. students are participating in at J. V. S.:

Agricultural Mechanics

REX HEISLER

There comes a time for all of us
When we must say good-bye
But faith and hope and love and
trust
Can never, never die,
Although the curtain falls at
last
Is that cause to grieve?
The future's fairer than the past
If only we believe
And trust in God's eternal care . . .
So when the Master calls
Let's say that life is still more
fair
Although the curtain falls.

GOOD TIMES COMING

I often wonder, what, in years to come,
I'll remember of my Junior year . . .
Perhaps it'll be
decorating for the prom,
swearing under my breath 'cause I missed a pass,
getting my class ring,
or maybe an extra-special Homecoming.
But whether it's all or none of these activities,
I know that this year will stand out
as the one which I realize that
personalities had depth
and dimension
and that me entire world is
friends.

I knew I should have used scope this morning.

2nd YEAR EXPERIENCES

Assured and confident, I'm a world away
from the Freshman I was
just ONE short year ago.
I've grown and matured and my concerns
have switched from
jammed Lockers,
senior guys making fun of me,
being in the wrong place at the
wrong time,
to the spirit of class involvement and
being an active and responsible part
of Fairview.

NEWCOMERS SEE THE LIGHT

The new teachers, new surroundings,
and new subjects of Fairview have invited me
to explore . . .

I've found that

not ALL seniors are out to get me.
it's not as easy as one thinks to out
yell the upperclassmen at a pep session,
FV chorus is really great,
and that the only thing
different
about
upperclassmen
is a few years of experience.

Keep your snide remarks to yourself please!

Coffee on your blue shirt, what do you do?

School days so they tell us
are the most divine of our lives,
We'll have the time of our
lives, it's the absolute prime
of our lives,

And so if school days are
the BEST of our lives, just
imagine the REST of our lives,

School days, School days,
never let me go!

(taken from the song School

I take after my father.

APACHE MUSICMAKERS

The Apaches Band represented Fairview at many places throughout the year. During the summer they played at socials and homecomings. The Defiance County Fair provide a challenge as always, along with alot of hard work. The marching band played at all the football games.

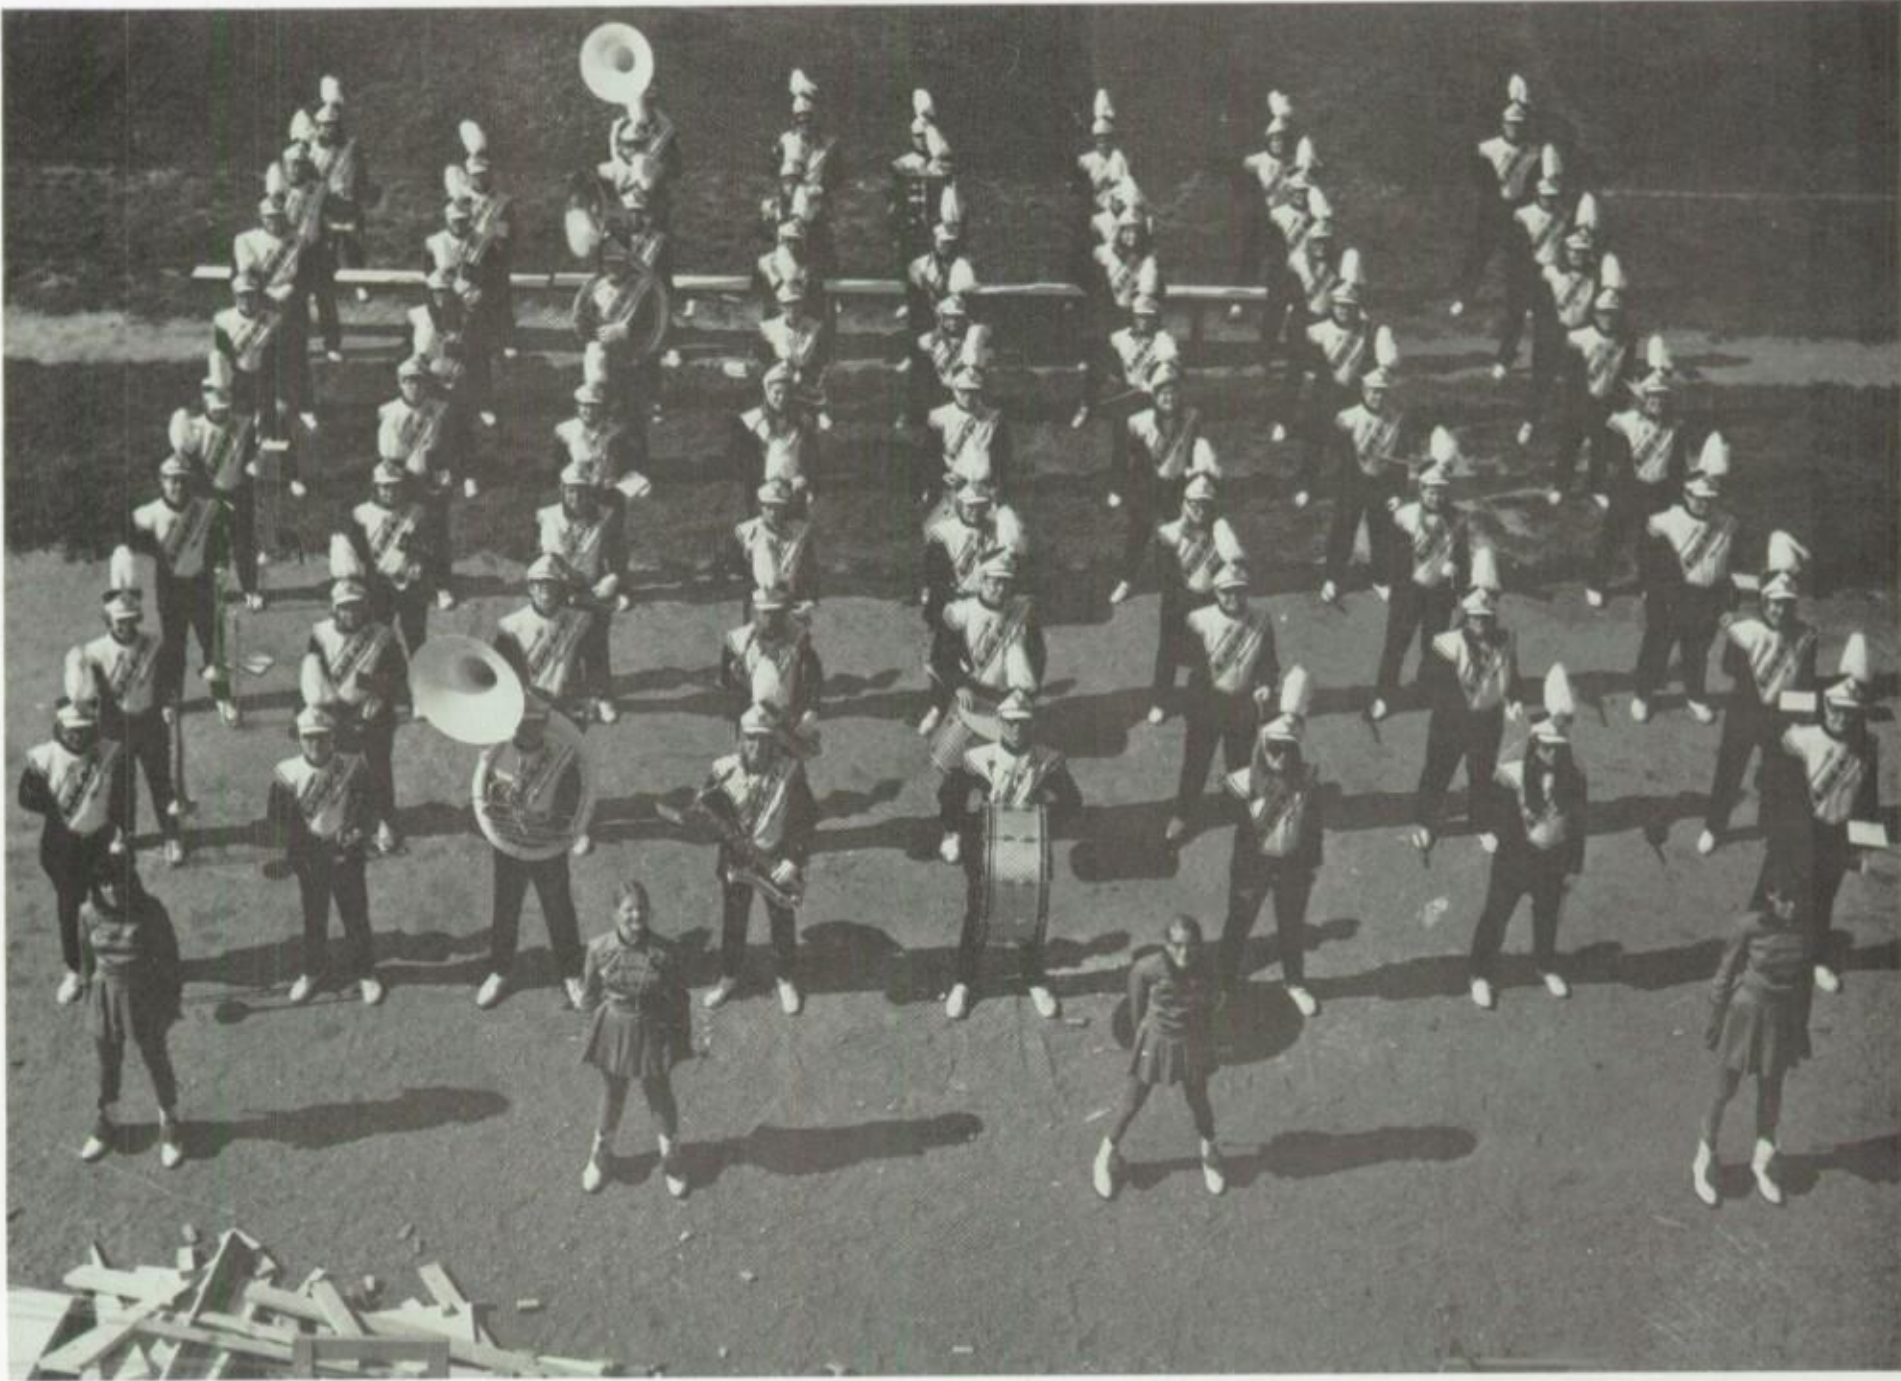

The pep band furnished music for half-times and between games during the basketball season. The Stardusters played at the Montpelier Prom and the Athletic Banquet.

The most outstanding event of the year was traveling to Windsor, Canada, to play at the International Freedom Festival.

The 71-72 chorus started out the season with the production of the mucical "Oliver". This year's musical was the best ever. They also attended District competition at Maumee where they received a I rating, this sent them on to state competition at Columbus where they received a II. The chorus attended solo and ensemble contest at Bryan. Everyone participating did an excellent job.

MATMEN ON THE MOVE

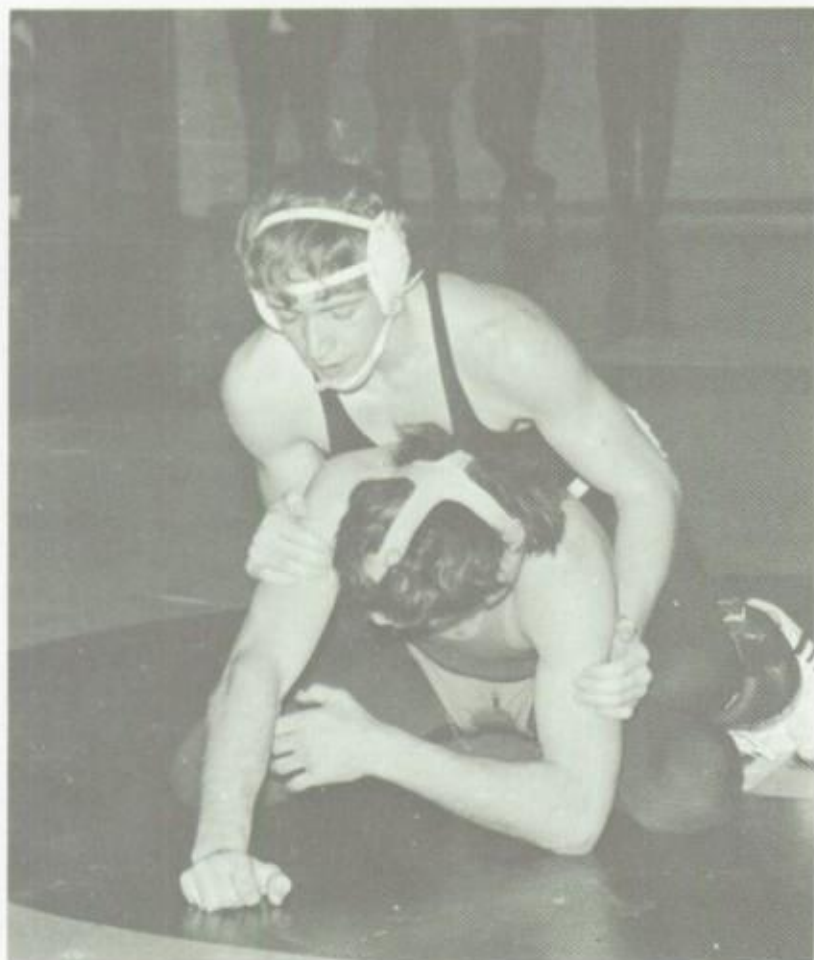

The Welcoming Back Committee

Generally it was a rebuilding year for the team, however, their 8-2 record would not bear this out. It was a year of both surprises and disappointment.

Leadership was provided by three senior tri-captains: Russell Motter, Paul Poulson and Gerald Hanna.

Apache wrestlers won the first FV Invitational tournament. They also placed third in the sectional wrestling tournament, the highest of any previous FV team. Gerald Hanna and Russell Motter placed 1st in the sectional tournament with Terry Keeterle and Paul Poulson placing second, Rick Wright placed third. This represented the largest number of FV wrestlers ever to advance to the district tournament. Special award winners were:

Fv THINCLADS KEEP MOVING ON

The Fairview Apache Thinclads ended up with a 3 win 6 loss record. Even so, this is the most well balanced team Fairview has ever had. There will be a big gap to be filled with the graduation of Gerald Hanna, Steve Singer, Rob Losey and Bob Highland, but it looks as though the underclassmen led by Tom Hubbard could promise a good season in the future.

"Oh, No! That was the second bell!"

"I'll tell ya what we're gonna do . . . "

Who says we don't have spirit?

Queen Donna Rieke

Spirit Ma

Good Times Should Be Made To Last.
Haste, That Notorious Enemy Of Memories,
Turns Awareness Into Forgetfulness.
And, Momentous Experiences Are Over
Almost Before They've Begun.
Full Times, Unique Times
Become Lost Times . . . Unless
They Achieve Immortality
Between The Covers Of A Book.
Some Say Yearbooks Can Make
Time Stand Still.
They Can.
